

GREEN TEAM

2010 GOALS AND OBJECTIVES

- Enhance communication and education of the Delta Chelsea green initiatives to guests, team members, partners and our community.
- Improve EOS survey score for “The hotel shows concern for the environment from 85% to 90%.
- Expand Liv Clean Eco Stay Program to improve our carbon neutral status from 109% to 120%.
- Leverage Delta Hotels and Resorts Green Charters to establish an environmentally friendly purchasing policy. Set benchmarks for 2010 purchasing with increased focus in the Market Garden and Kitchen areas.
- Continue to improve and refine current recycling and conservation practices. Improve landfill diversion from 83.3% to 86%.
Improve monitoring of energy and water usage and set benchmarks for 2010.
